

SAINT CLAIR AREA SCHOOL DISTRICT

Addressing the Needs of Students & Community

Dear Saint Clair Area School District Families and Community,

The 2018-2019 school year has brought excitement in the form of new teachers, a Counseling for Careers (C4C) program, and additional clubs! We received grant money from Dollar General (\$3,000) for literacy resources to support our Multi-Tiered Systems of Support (MTSS) structure and \$5,000 from the Pennsylvania Departments of Education and Labor & Industry for our C4C series. Our students will also benefit from a Highmark Foundation grant of \$5,200 for new equipment in physical education class.

Saint Clair is a unique and special school district where strong relationships are the foundation of the educational system. We will continue to be our community's hub with the After School ACHIEVE program, Child Development, Student Council, Saint Clair Honor Society, STEM and Math 24 competitors, athletics, clubs, Girls Scouts, Cub Scouts, Career Fair, PTO Chinese Auction, and more! Our Facebook page www.facebook.com/SaintClairSchoolConnections will assist us with promoting engagement beyond our school walls. We invite you to like our page and share our posts with your friends and family, so our students' accomplishments and events are broadly communicated. Please tag our page or message us with information you would like us to post. We enjoy recognizing our high school students and graduates to inspire others to learn and grow.

Please don't hesitate to contact my office if you have any comments, questions, and/or concerns. We all benefit from your support and involvement. The Saint Clair Area School District school board, staff, and I look forward to continuing to partner with you and your children!

Sincerely,

Sarah Yoder

Sarah Yoder, Ed.D.
