

SAINT CLAIR AREA SCHOOL DISTRICT

Learn and Grow as a Community

Hello 2nd Grade Boys and Girls,

Our days have not been the same without seeing you all every day!

We hope you and your families are doing well. We have a challenge for each and every one of you.... Are you ready?

We challenge you all to continue to be kind, respectful, and responsible workers at home. Some of you may be thinking... how can I do that? Easy! You can help your families around the house or visit one of the following websites or activities below. Most importantly, get your mind and body moving! It may be a challenge some days, but remember we're always available for you all. You can reach out via our Reminds or school emails: mccormick@saintclairsd.org, lucht@saintclairsd.org, and obrien@saintclairsd.org. Talk to everyone soon!

Sincerely,

Mrs. O'Brien, Mrs. Lucht & Mrs. McCormick
