

## SAINT CLAIR AREA SCHOOL DISTRICT

Learn and Grow as a Community

Dear Scholars of 3 Blue,

The next few days are going to test our class motto of “Learn Like A Champion,” but it is something we will overcome together. I miss you all and am thinking of you and your families during this time. If you ever want to chat feel free to email me at [trezise@saintclairsd.org](mailto:trezise@saintclairsd.org). My goal of this letter is for you to become a leader of your own learning. In class we are constantly talking about how our efforts affect our outcomes. It is now your time to shine! Make some of your screen time worthwhile. Research a place you want to travel to or continue our work on women that changed history. Whatever it is, make it worthwhile. I have included some educational websites that can help you along the way. As always, I am so proud to be your teacher! Learn Like A Champion! Talk to you Soon!

Much Love,  
Mrs. Trezise
