

SAINT CLAIR AREA SCHOOL DISTRICT

Addressing the Needs of Students & Community

August 6, 2019

Dear Parents/Guardians,

It is hard to believe the 2019-2020 school year is just around the corner! A focus for Saint Clair Area School District this year will be to share our updated District's Mission, Vision, and Shared Values as the Comprehensive Planning process culminates in the near future. "Learn and grow as a community" is our motto reflecting these changes. We will be sure to highlight students and staff who demonstrate aspects from our finalized Mission, Vision, and Shared Values in and around the District!

On behalf of the entire school community, I would like to invite you our Open House, which will be held on **Wednesday, August 21st**. Similar to last year, this program replaces the Meet the Teacher Night previously held in September. We will send a School Messenger call closer to Open House when you will be able to log into MMS to view your child's teacher(s).

The following schedule will allow parents/guardians to visit multiple grade level teachers:

- ✦ Kindergarten - 3:30 - 4:15 PM ~ A letter with more specific information is being mailed home on Friday, August 9th.
- ✦ 1st and 2nd grades - 4:30 - 5 PM
- ✦ 3rd and 4th grades - 5:15 - 5:45 PM
- ✦ 5th through 8th grades - 6 - 7 PM

Each grade level program will begin in the cafeteria for a short presentation. The Saint Clair Area School District staff members are committed to working with you as a team, so our students are supported inside and beyond the classroom.

We look forward to another great year as a part of the Saint Clair family!

Sincerely,

Sarah Yoder, Ed.D.
Superintendent
