

WALKING STUDENTS

Student conduct and safety on the way to and from school should be a matter of concern to parents. The school will cooperate with parents on these matters. Parents should discuss the safest route to school emphasizing the use of sidewalks and not trespassing on private property. Again, children should NOT arrive at school before 8:15 a.m. Upon arrival walkers should enter the Mill Street door and report to the cafeteria for breakfast or to the gymnasium and wait for homeroom dismissal at 8:30 a.m.

Students are expected to travel directly to and from school and obey school crossing guards. All students should go directly home after school.

Students walking/not being picked up by a vehicle will be dismissed out Mill Street at approximately 3:15 PM. **At no time, may a parent park illegally or block traffic on Mill Street or any other street within the borough. Any person or vehicle that violates this will be subject to traffic violations strictly enforced by the Saint Clair Police Department.**

CROSSING GUARDS

Crossing Guard Locations: Crossing guards will be posted at the following locations.

Saint Clair: Mill and Patterson, Mill and Railroad, Nichols and Carroll, Nichols and Hancock, Nichols and Railroad, Second and Carroll, Second and Hancock, Second and Railroad.

Arnot's Addition: Wade Road and Birch/Broad Street, Wade Road and Pine Street.

Cumbola: Route 209 and St. Anthony's Church.

New Philadelphia: Clay and Wiggan Valley (Rt. 209) and Cooper, Valley (Rt. 209) and Water.

Kaska: Old School House

Middleport: Main & Coal Street, Washington & Nicholas Street.

SCHOOL CROSSING GUARDS

The crossing guard is the AUTHORITY FIGURE representing the school district. All violations of safety rules or general misconduct will be reported by the crossing guard to the principal. Children should not engage in any activity that may potentially result in damage to personal property or endanger the health and safety of others.

CHANGING BUSES

Students may ride only on their designated bus. Bus rosters are assigned by the school district and changes may only be made by school officials.

Students may never ride a bus to go to a friend's house. All requests of this type will be denied. Arrangements to visit friends after school hours must be made by parents and not involve school transportation.

STUDENT INSURANCE

Parents are given the opportunity to enroll children each fall in a school insurance plan. This plan offers a choice of 24 hour or school hours only coverage. This is desirable for parents, since the School Board does not cover student injury when no liability exists.
